Terms and Conditions

I understand and agree to take part in training with It's Not About The Dog! under the following conditions:

1. Puppies must have had their first vaccination at least 10 days prior to the first session they will attend (the first session of the program is an orientation without the puppies). All following vaccinations must be kept current and up-to-date.
2. If your puppy has not yet had their second vaccination, you must provide *It's Not About The Dog!* with the date your puppy is due for its second vaccination. If the second vaccination is not fulfilled, participation in following classes will not be permitted.
3. Vaccination certificates must be presented 3 days prior to the commencement date of the program or at the first lesson. Failing to do this, you will not be able to commence the program and payment will be non-refundable.
4. You shall be responsible for your dog's behaviour whilst at Pet City Mt Gravatt QLD and you hereby agree to indemnify Pet City Mt Gravatt QLD, and *It's Not About The Dog!* instructors against any loss, damage or injury which they might suffer directly or indirectly as a result of your dog or yourself attending training at Pet City Mt Gravatt QLD.
5. Payment is non-refundable unless 7 days notice is given, when a full refund will be given minus \$30 for an administration fee.
6. Payment is due no later than 7 days prior to the program date commencing.
